INDEX TO VOL. LXVI

Electrical Review and Western Electrician

JANUARY 2 TO JUNE 26, 1915

Published by
ELECTRICAL REVIEW PUBLISHING COMPANY, INC.,
608 South Dearborn Street, Chicago.

NEW YORK:
13 Park Row.

DETROIT:
Dime Bank Building.

UNIVERSITY OF MINNESOTA LIBRARY

Articles marked * are illustrated; (E) indicates "Editorial."

A

Accessibility of fuse cabinet..... 1155
Accident prevention, achievements in, by D. D. Lescohier..... 641
Accident prevention, by Charles B. Scott..... 997
Accident prevention (E)..... 1019
Accident prevention on business basis* 1029
Accidents, fewer, with near-side stops 1182
Accidents in mines, electrical..... 114
Accounting, analytical, for central-station companies, by O. B. Coldwell..... 1113
Accounting, contractor's, by G. W. Hill 153
Accounting, electric-vehicle cost, by W. P. Kennedy..... 1113
Accounting system for contractors..... 152
Accounting system simplified..... 998
Accountants, public-utility, some opportunities of, by L. R. Reynolds 1113
Accounts, interstate..... 308
Advertisement, effective central-station*..... 335
Advertising, central-station, by E. R. Kelsey..... 580
Advertising Clubs of the World, convention of..... 202
Advertising, electrical..... 984
Advertising influence of employee..... 998
Advertising influence of employees, by F. R. Slater..... 1147
Advertising, what it has done for Denver company, by Frank W. Frueauff..... 722
Aeroplane stabilizer, Sperry gyroscopic*..... 924
Agencies, exclusive, and Clayton act.. 527
Agreement reached in important utilities consolidation..... 4
Air gap and watts of induction motor 549
Air gap of induction motors, testing.... 952
Air-lift pumps as a central-station load*..... 1191
Alloy-steels, thermo-electric properties of (E)..... 977
Alternator, small belted*..... 605
Aluminum, nickel-plating..... 1056
Aluminum solder for..... 24
AMERICAN ELECTRIC RAILWAY ASSOCIATION:
Mid-year meeting of.....104, 263
Reduction in dues..... 522
Transportation arrangements for convention..... 938
American Electrochemical Society, general meeting.....821, 978
American Electrochemical Society, New York Section..... 536
American Institute of Chemical Engineers, convention of.....572, 756
American Institute of Chemical Engineers elects officers..... 104
AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS:
Annual meeting.....892, 938, 1000
Boston Section..... 1038
Chicago Section.....216, 397, 603, 826, 936, 1004, 1182
Committee appointments..... 756
Convention program..... 1160
Lynn Section.....104, 286, 396, 522, 595, 1094
Meeting of.....126, 536, 595, 736, 777
Mid-winter convention.....262, 389
Minnesota Section.....962, 1182
News of..... 164
1915 conventions of....127, 412, 572, 670
Pittsburgh Section..... 671
Pittsfield Section..... 438
University of Kansas Branch..... 412
West Virginia Branch..... 64
American Museum of Safety moves..... 697
American Museum of Safety, new home of..... 920
American Railway Engineering Association, convention of..... 522
American Society of Mechanical Engineers, Chicago Section..... 582
American Society of Mechanical Engineers, Minnesota Section.....962, 1182
American Society of Mechanical Engineers, spring meeting of..... 1142
American Telephone and Telegraph Company, annual report of..... 532
American Telephone and Telegraph employees to become stockholders 20
Ammeter and current transformer, portable alternating-current, for use on cables*..... 785
Ammeters, marking..... 152
Among the contractors (see Contractors).
Appliance business, cultivating (E)..... 889
Appliance campaign at Columbus..... 722
Appliance campaign in Denver..... 110
Appliance campaign in Philadelphia... 1193
Application of diversity-factor..... 1182
Application of electric drive in flour mills and similar industries, by T. E. Simpers..... 192
Appraisal of small electric properties (E)..... 409
Appraisement of small electric properties, by Edwin D. Dreyfus*.....433, 500
Arc, ferro-ilmenite, on alternating-current circuits, by Isador Ladoff 871
Arc, high-temperature..... 133
Arc, titanium (E)..... 668
Arc welding and its application in the metal-working industry, by J. F. Lincoln..... 1161
Argentine imports..... 998
Arizona commission news (see Public Service Commissions).
Armament and disarmament..... 370
Armature, method of locating faults in 342
Armored cable, the development of, by Henry H. Gilson*..... 1150
Armored cables for motorcars and motorboats, brass-wire*..... 1212
Artificial daylight (E)..... 1180
Assessments on utility properties subject to review in New Jersey..... 128

Associated Manufacturers of Electrical Supplies....480, 616, 850
Associated Manufacturers of Electrical Supplies, committees of appointed 1160
Association of Edison Purchasing Agents elects officers.... 670
Association of Iron and Steel Electrical Engineers, meeting of....292, 978
Attachment plug, new type of*.... 784
Attachment plugs, Arrow*.... 966
Austin dam and power plant*.... 939
Austin dam (E).... 933
Automobile assembling plant, electricity in*.... 329
Automobile, contractor and, by G. D. Crain, Jr.... 423
Automobile, electric, new type of.... 664
Avoiding inconveniences in station service (E).... 1140

B

Bacon Company, Boston, electric lighting equipment in department store of 546
Bakeries, electricity in*.... 715
Balance, electromagnetic vacuum.... 1171
Balancer sets for charging storage batteries (E).... 1017
Balancer sets for economical battery charging 1081
Baseball park, electrically operated machinery used in building*.... 1193
Batteries and electrochemistry in 1914.. 7
Batteries, ignition, charging set for*.... 966
Battery bell signaling in English mines 903
Battery-charging equipment in plant of Ward Bread Company, Boston.... 58
Battery-charging equipment in small private garage, unit-type*.... 474
Battery charging in unattended garages 292
Battery-charging methods for electric starting and lighting equipments for gasoline automobiles, modern.... 174
Battery-charging motor-generator set, Wagner* 318
Battery-driven barges in Berlin.... 1193
Battery-lamp outfit, low-cost*.... 172
Battery, new form of primary.... 788
Battery, Prest-O-Lite storage.... 1131
Battery service to electric vehicle users, co-operative.... 840
Battery, storage, smashing point of 79, 201
Battleship, electrical equipment of, by H. A. Hornor.... 671
Bending metal molding.... 76
Benefit association at Pittsfield.... 1295
Benzol, Edison to make.... 904
Berlin central station.... 963
Berlin's battery-driven barges.... 1193
Bit extension for fixture plug*.... 492
Blower, forge*.... 262
Boiler-room practice, by William A. Blonck 157
Boiler-room wastes and economies.... 997
Bombay, electrification of mills at.... 984
Bombay, overhead construction work at power house for*.... 914
Bond requirement proposed in Michigan 115
Book for New York electric-car owners 287
Book Reviews:
Constant-Voltage Transmission, by Herbert Bristol Dwight.... 876
Drake's Telephone Handbook, by David Penn Moreton.... 698
Furnace Efficiency: Combustion and Flue Gases, by James C. Peebles 698
How to Run and Install Gasoline Engines, by C. Von Culin.... 698
Lektrik Lighting Connections, by W. Perren Maycock.... 739
Lichtmessungen mit Selen, by Willy Jaenichen.... 698
Oxy-Acetylene Welding and Cutting, by Calvin F. Swingle.... 876
Polyphase Currents, by Alfred Still 698
Principles and Practice of Electrical Engineering, by Alexander Gray 739
Safety, by William H. Tolman and Leonard B. Kendall.... 24
Smithsonian Physical Tables, by Frederick E. Fowle.... 698
The "Mechanical World" Electrical Pocket Book for 1915.... 698
The "Mechanical World" Pocket Diary and Year Book for 1915.... 698
Wiring of Finished Buildings, by Terrell Croft.... 739
Booster-converter, synchronous, for Dayton Power & Light Company* 1213
Boston Automobile Show.... 511
Boston district, business survey in.... 808
Boston Edison campaign to increase output 581
Boston Edison Company's instruction for employees.... 108
Boston electrical meeting.... 1142
Boston electrical men get-together luncheon 286
Boston, good business in.... 79
Boston motor vehicle organizations merge 1090
Box factory, income from refuse from, pays for power.... 582
Box, material.... 297
B-R Electric & Telephone Manufacturing Company sales conference of 133
Braking, dynamic.... 201, 300
Breweries, electricity in*.... 1143
Brick-making, electricity in*.... 65
Bridge, electrically operated lift*.... 743
Bristol recording-instrument exhibit at San Francisco*.... 1131
British experience with concentric wiring (E).... 283
British Guiana, only English spoken in 160
British manufacturer of insulated wires and cables in market for American equipment.... 522
Brooklyn Edison Company replaces steam plant on dry dock.... 623
Bulbs, lamp, temperature of.... 545
Bulletin board for church*.... 30
Bullets, locating, by means of electricity 604
Bureau of Mines, annual report of.... 311
Bureau of Standards to investigate fuse question.... 1196
Burglar alarm*.... 76
Burglar alarm, closed circuit*.... 909, 992
Burglar alarm for freight cars.... 115
Burma needs electricity.... 965
Busbar supports, special three-way*.... 358
Bus line in Chicago*.... 470
Business course at University of Illinois 104
Business hints for contractor and dealer, by G. D. Crain, Jr.... 682, 1059
Business hints for dealers, by G. D. Crain, Jr.... 809
Business men, university course for (E) 102
Business survey in Boston district.... 808
Butler Brothers Building, electrical construction details of, by Norman G. Meade*.... 1182
BX, economy in cutting.... 297

C

Cabinets, metal, on 600-volt grounded circuit 953
Cabinets, push-button switch*.... 1006
Cable, armored, development of, by Henry R. Gilson*.... 1150
Cable at Portsmouth, N. H., 15,000-volt submarine.... 400
Cable grip, steel*.... 1216
Cable, lapping lead-covered, by H. E. Weightman*.... 901
Cables, effect of moisture on temperature of, by L. E. Imlay.... 389
Cables for motor-car and motorboats, bridge-wire, armored.... 1212
California commission news (see Public Service Commissions).
Campaign for increasing hours of show-window lighting.... 680
Campaign of Edison Co. in Philadelphia.. 1193
Campaign for small houses in Worcester 1149
Candle light and electric light, comparative cost of.... 1190
Car, gasoline-electric tram.... 921
Carbon brushes on direct-current generator and motors, troubles encountered in operation of, by E. H. Martindale 597
Card index increases efficiency of new-business department*.... 899
Cars, electric, in Norway.... 1049
Cause and effect in human affairs (E) 368
Cauvery Falls power plant, extension of 1159
Cedar-producing and shipping facilities of McGillis & Gibbs Company* 789
Cement-plant substation for receiving Mississippi River power*.... 1040
Cement works, European, motor drive in* 1050
Census figures on Bell telephone system 737
Central Electric Company announces change in selling organization.... 130
Central station and contractor in Hartford co-operate.... 1123
Central station and contractors co-operate in South Africa.... 862
Central station and electric vehicle (E) 570
Central-station and electric-vehicle interests hold joint meeting in Boston 282, 537, 598
Central station and former representative at litigation.... 874
Central-station association, new English 630
Central-station extensions in England held up by war.... 620
Central-station ice-making (E).... 326
Central-station income and possible electric-vehicle market in medium-sized cities.... 839
Central station in small town, well designed* 642
Central-station industry and electrical securities in 1914—prospects for 1915, by J. M. C. Hampson.... 19
Central-station industry in Iowa, development of, by H. W. Wagner*.... 757
Central-station influence on Chicago of future 376
Central-station load, air-lift pumps as* 1191
Central-station manager, how he keeps in touch with customers.... 486
Central-station power for unloading ships at low tide.... 1193
Central-station practice in Wisconsin regarding rural service, analysis of 237
Central-station progress in 1914 (E).... 1
Central-station publicity campaign in municipal lighting plant situation.. 856
Central-station service, electric vehicles in.... 293
Central-station service, Willys-Overland Company adopts.... 1148
Central-station troubles from Scarborough bombardment.... 623
Central stations, California statistics of 1028
Central stations, California statistics of (E).... 1018
Central stations, Iowa, facts and factors of.... 818
Central stations, Iowa, power development methods for, by Edward Soukup 807
Central stations of New Mexico to organize 309
Central stations, prosperity advertised by 29
Century Engineering Club, annual celebration of.... 924
Chair manufacturing, electricity in*.... 979
Chair, mysterious electric*.... 314
Charging and repair station for Springfield, Mass.... 767
Charging batteries, ampere-hour meters for.... 697
Charging equipment of Corey Hill Garage, Brookline, Mass.*.... 666
Charging plug, adjustable*.... 990
Charging set for ignition batteries*.... 966
Charging set, Hertner vertical*.... 699
Charging storage batteries, balancer sets for (E).... 1017
Charging system in Chicago garage, constant-potential* 277
Charging vehicle batteries from high-potential direct current, by W. H. Noble 1081
Chicago automobile show, electric vehicles at.... 218
Chicago Central Station Institute.... 186
Chicago Electric Club (see Electric Club of Chicago).
Chicago electrical contractors and fixture men indicted for conspiracy in restraint of trade.... 826
Chicago, plan of.... 286
Chime outfits, electrically operated*.... 701
China, hydroelectric development in.... 850
Chinese electrical development, possibilities for.... 736
Christmas sales, Louisville makes record in.... 195
Christmas tree for Dayton, municipal* 71
Church, electric bulletin board for*.... 30
Cigar lighter and inspection lamp for automobile use, combination*.... 560
Cincinnati Electrical League.... 850
Cincinnati stockholders organize to fight rate reduction.... 110
Circuit-breaker, new underload*.... 1165
Circuit-breakers, automatic reclosing* 924
Circuit-breakers, oil, a new line of*.... 1171
Circuit-breakers, oil, by K. C. Randall 390
Circuits for 1,320 watts.... 954
City, small, electric service for, by J. P. Bowles.... 1052
Civic Forum, Edison awarded medal of 910
Clamp, "Ideal" ground*.... 448
Classification of technical literature.... 1054
Clayton act, exclusive agencies and.... 527
Cleaning and plating in same solution, by O. P. Watts.... 824
Clearing House, Louisville Electrical, review of work of.... 169
Cleveland, increase in power business in 623
Clip, "Bull-Dog" loom*.... 453
Clip for conduit or pipe*.... 1128
Clip, test, of large capacity*.... 1005
Clock, illuminated electric, as part of lamp exhibit*.... 174
Coal briquets, production of.... 1037
Coal costs, war and.... 892
Coal market, central stations taking advantage of slump in.... 109
Coal mines, electrifying, by H. M. Warren 1048
Coal mining, Ohio, decrease in.... 78
Coal output, Texas.... 1208
Coal, Virginia.... 1207
Cobalt, electroplating with, by Herbert T. Kalmus, C. H. Harper and W. L. Savell.... 873
Cobalt, electroplating with (E).... 849
Code to be adopted in Ohio.... 115
Coil, heater 768
Colin-Jeance wireless telephone apparatus* 1168
Color in lighting.... 616
Colorado commission news (see Public Service Commissions).
Colorado, electrical opportunities looking up in.... 262

Columbus, new-business activities at.... 240
Columbus, successful appliance campaign at.... 722
Commercial engineering (E).... 890
Commercial service for public, continuous (E).... 1018
Commissioner of Patents, annual report of.... 505
Commissions, regulating, helpfulness of, to utility companies (E).... 230
Committees of electrical manufacturers appointed.... 1160
Commonwealth Edison Building, Chicago*.... 1035
Commonwealth Edison Company gives luncheon to Illinois garage owners 240
Commonwealth Power Company displaces municipal plant.... 1193
Commutator, repairing*.... 952
Commutators, truing.... 687, 772
Company-section work, by D. C. Bruce 1108
Compartment box*.... 990
Comparative cost of candle light and electric light.... 1190
Competition or co-operation (E).... 143
Competition, protection against (E).... 229
Competitive economy test of tungsten-filament lamps, by H. H. Higbie.... 1201
Concentration of electrical control (E) 668
Concentric wiring (see Wiring).
Concentric wiring situation (E).... 101
Condensers, synchronous.... 540
Conduction in metals (E).... 1140
Conduit and wiring work, cost of.... 585
Conduit fittings, V. V.*.... 1073
Conduit installation in gas-engine factory*.... 583
Conduit, making sharp bends in*.... 492
Conduit, plugging.... 586
Conduit, rigid, installation of, in finished buildings, by Terrell Croft*.. 379
Connecticut commission news (see Public Service Commissions).
Connecticut electrical meeting.... 554
Constitutional revision, engineers and (E).... 798
Construction details, electrical, of Butler Brothers Building, by Norman G. Meade*.... 1183
Construction, electrical, quality in (E) 755
Construction, materials of.... 1040
Consular recommendations on South American trade.... 525
Consumers Power Company to buy power.... 1148
Continuous waves in long-distance radiotelegraphy, by L. F. Fuller.... 736
Contract for railroad shops.... 1057
Contract-order routine in Louisville.... 29
Contractor and automobile, by G. D. Crain, Jr.... 423
Contractor and central station, co-operation between.... 585
Contractor and central station in Hartford co-operate.... 1123
Contractor and dealers, business hints for, by G. D. Crain, Jr.... 682, 1059
Contractor, electrical, office methods for*.... 550
Contractor in field, by D. E. Roberts.... 153
Contractor, record forms for*.... 724
Contractors, among the.... 34, 115, 152, 199, 296, 382, 425, 491, 552, 628, 726, 767, 810, 862, 904, 952, 985, 1062, 1124, 1152, 1197
Contractors and central station co-operate at Glasgow.... 726
Contractors and central station co-operate in South Africa.... 862
Contractors and central-station men of New England hold co-operative meeting.... 898
Contractors and fixture men of Chicago indicted for conspiracy in restraint of trade.... 826
Contractors' associations, state, new officers of.... 1123
Contractors' carnival exhibit*.... 903
Contractors, co-operation of, in securing new business (E).... 327
Contractors, English, adopt guarantee scheme.... 245
Contractors, Georgia, convention of.... 423
Contractors, Illinois, convention of.. 89, 154
Contractors, Iowa, convention of.... 810
Contractors' meeting, Illinois.... 989, 1062
Contractors, Minnesota, convention of.. 246
Contractors, New Jersey, annual meeting of.... 295
Contractors of Brooklyn guests of Edison Company.... 340
Contractors of New York State, meeting of.... 262
Contractors of Salt Lake City hold dinner.... 490
Contractors of Toronto organize.... 862
Contractors of Washington organize.... 862
Contractors, Oregon, elect new officers.. 34
Contractors, Pennsylvania, meeting of.. 1094
Contractors, Winnipeg, meeting of.... 861
Contracts on federal work, segregating electrical (E).... 713
Control, direct-current, for hoisting equipment in industrial plants, by W. T. Snyder.... 780
Control, electrical, concentration of (E) 668
Control of direct-current hoists in iron and steel mills, by E. G. Stoltz and W. O. Lum.... 780
Control of heating circuits (E).... 325
Controller, drum*.... 90
Controllers, alternating-current, for steel mills, by Arthur Simon.... 781
Controllers, mill, by H. F. Stratton.... 778
Controllers, steel-mill, from operators' standpoint, by James S. Riggs.... 778
Convenience of low-powered lamps (E).... 1181
Conventions, something new in (E).... 521
Converting arc-lamp casings into containers for nitrogen-filled lamps*.... 740
Converting the chronic kicker.... 1190
Cooking and heating, electric, new possibilities of.... 334
Cooking and heating, rates for (E).... 477
Cooking appliance, new combination electric*.... 740
Cooking, electric*.... 557, 644
Cooking, electric, in Poplar Bluff, Mo.... 239
Cooking equipment, electric, at Texas school.... 857
Cooking, free current for.... 982
Cooking in Minnesota, cheap electrical energy for.... 1191
Co-operation at Glasgow.... 1123
Co-operation in Glasgow (E).... 713
Co-operation of contractors in securing new business (E).... 327
Co-operation, opportunity for (E).... 891
Co-operation, standardized, by L. D. Gibbs.... 898
Co-ordination (E).... 891
Copper from Chile and Peru.... 961
Copper, 1914 production of.... 312
Copper production, world's.... 1021
Corona-loss curves, comparison of calculated and measured, by F. W. Peek, Jr.... 390
Cost, reproduction, versus initial cost (E).... 284
Cotton duck mills, electricity in*.... 673
Court rules that rentee must maintain property of utility.... 70
Court sustains public service commission ruling on high-tension wire crossing.... 342
Cranes, electric, novel use of in Ford assembling shops*.... 1213
Cultivating appliance business (E).... 889
Current electrical news.... 48, 95 134, 177, 223, 272, 320, 361, 403, 455, 513, 563, 608, 653, 705, 747, 791, 833, 883, 927, 970, 1011, 1075, 1133, 1173, 1216
Customers, old, increasing revenue from (E).... 285
Cutler-Hammer candelabra switch redesigned*.... 1210
Cutout, automatic, for series-multiple lamps.... 78
Cutout, high-voltage, high-capacity*.... 510
Cutout pulley, Cutler, automatic*.... 1129
Cutouts, primary-safety*.... 40
Cutouts, subway-type high-tension oil fuse*.... 700
Cyanamid process, by Heinz & L. Simmers.... 530
Cyanide solutions, electroplating with.. 370

LIBRARY

Dale Broadway lighting unit*.... 831
Dam and power plant at Austin, Tex.* 939
Dam, Austin (E).... 933
Daylight, artificial.... 672
Daylight, artificial (E).... 1180
Dayton boulevard lighting.... 1157
Dayton company encourages suggestions from employees.... 721
Dayton Power & Light Company, synchronous booster-converter for*.. 1213
Dayton power contract.... 855
Death of employee, electric company not liable for.... 81
Delegate, returning, making most of (E).... 1092
Delivery in merchandising, electric, by Fred J. Pearson.... 876
Denver company, what advertising has done for, by Frank W. Frueauff.... 722
Department store, Boston, lighting features of.... 312
Department-store service, electric-vehicle performance in, by Edward Callan.... 280
Department stores, increasing sale of energy to.... 546
Dependence of the public upon electric utilities (E).... 1139
Depolarization in Le Clanche cells, by M. deKay Thompson and E. C. Crocker.... 821
Depreciation.... 308
Detector, Ultraudion, for undamped waves, by Lee de Forest*.... 357
Detroit Electric will make interurban runs.... 1090
Detroit railways, valuation of.... 4
Development of armored cable, by Henry R. Gilson*.... 1150
Development of central-station industry in Iowa, by H. W. Wagner*.... 757
Development of supply of electricity in Great Britain, by A. H. Seabrook.... 761
Diesel engine in central-station service.... 820
Diesel engine, large four-cylinder vertical*.... 41
Die stock, Beaver cross-bar*.... 646
"Dimalite" for heating pads.... 297
Dimmers for tungsten lamps, by Alfred E. Waller.... 392
Dimming and pump-control equipment in Harper Theater, Chicago*.... 1070
Dinner at Boston, General Electric.... 522
Dishwasher, Crescent*.... 702
Distortion of current wave caused by cyclic variation in resistance, by Frederick Bedell and E. C. Mayer.. 392
Distribution conditions in Pacific northwestern states, electric line, by J. C. Martin.... 1111
Distribution system, studying (E).... 369
Distribution, three-phase.... 772
Distribution work, specializing in (E) 890
District of Columbia commission news (see Public Service Commissions).
Diversity-factor, application of.... 1182
Diversity-factor, demonstration of, by H. B. Gear.... 1110
Diversity-factors, central-station, by William T. Ryan.... 638
Doherty employees dine their chief.... 945
Dollar wiring kinks (see Wiring Kinks).
Door switch, automatic*.... 1209
Draftsman, electrical, civil service examination for.... 85
Drill, electric, putting pressure on*.... 768
Drill, motor-driven inverted*.... 130
Drill, portable*.... 87
Drilling stand for portable electric drill*.... 453
Drills, portable*.... 967
Drink mixer, new mortor-driven*.... 1164
Drive, group or individual (E).... 977
Drive, individual, in textile mills.... 149
Dry dock, electric power for.... 623
Duluth-Edison Company, popular vote sustains position of, in rate controversy.... 195
Dustin, Fred G., enters contracting field*.... 504
Dynamic braking.... 201, 300

E

Easter display in Brooklyn.... 623
Economies in electric railway power equipment, by N. W. Storer.... 216
Economy, prizes for articles on.... 1163
Edison awarded medal of Civic Forum 910
Edison Electric Illuminating Company of Boston inaugurates campaign to increase output.... 582
Edison electrics in England.... 664
Edison, medals for (E).... 935
Edison reminiscence.... 875
Edison's sixty-eighth birthday*.... 352
Effects of frequency upon transformers, by Gordon Fox*.... 89
Electric Club-Jovian League of Chicago.... 938, 978, 1047, 1105, 1142, 1182
Electric Club of Chicago.... 64, 104, 144, 186, 262, 286, 370, 506, 572, 670, 731, 756, 840
Electric Club of Springfield, Mass.... 756
Electric conduction in metals (E).... 1140
Electric cranes, novel use of in Ford assembling shops*.... 1213
Electric fishing.... 1200
Electric irons for summer work.... 1148
Electric lanterns, new dry-cell*.... 1211

PUBLIC SERVICE COMMISSIONS, Continued:
Colorado 156, 428, 1198
Connecticut 200, 343, 729
District of Columbia 298, 555, 631, 729, 863, 1198
Idaho 156, 200, 249, 428, 555, 631, 685, 769, 1063, 1156, 1198
Illinois 250, 343, 493, 905
Indiana 493, 587, 685, 730, 863, 991
Kansas 587, 730, 769, 991
Louisiana 35
Maine 955, 1063, 1121
Manila 157
Maryland 200, 587, 632, 864, 1156
Massachusetts 156, 685, 769, 864, 905, 1063
Missouri 250, 905, 955
Montana 632
Nebraska 343
Nevada 864
New Hampshire 493, 906, 991
New Jersey 35, 118, 201, 587, 770, 864, 1198
New York—
First District 35, 298, 429, 494, 555, 587, 730, 1121
Second District 35, 77, 118, 156, 298, 343, 383, 429, 556, 632, 730, 770, 864, 956, 1121, 1199
Ohio 118, 201, 250, 556, 588, 685, 770, 956, 1121
Oklahoma 343, 494, 588, 731
Oregon 770, 864
Pennsylvania 77, 250, 343, 588, 731, 864, 957, 991
Rhode Island 632
Tennessee 429
Vermont 343, 864
Virginia 156, 383
Washington 383, 429
Wisconsin 36, 77, 119, 201, 207, 250, 299, 343, 383, 429, 494, 556, 588, 770, 906, 1064, 1199
Wyoming 731
Public service (E) 520
Public Service Electric Company, new power plant for 445
Public service, ideals of (E) 935
Public service talks 239
Public utility company suffers severe imposition in rate investigation 36
Public utility provisions of New York constitution 1121
Public utility regulation discussed in Pennsylvania 128
Pull chains, promiscuous use of 201
Pull receptacle, Bryant ceiling* 1074
Pull socket, Benco weatherproof* 921
Pull sockets and rosette pull switches, extension attachments for* 1128
Pulleys, Cutter automatic cutout* 1129
Pump leathers for gasoline torches 492
Pump, motor-driven house* 355
Pumping, electric town* 1163
Pumping equipment, automatic* 1060
Pumping, irrigation, electricity for* 1022
Pumping plant of Canton, Mass., saves by electrical operation 723
Pumps, air-lift, as a central-station load* 1191
Pumps, electrically driven irrigation* 1070
Pumps, Erie motor-driven irrigation* 1071
Pumps, motor-driven mine* 172
Purchases of electrical equipment, instalment (E) 1181
Pyrometer instruments, high-resistance* 1068

Q

Quality in electrical construction (E) 755
Quartz lamps, submarine photography by aid of* 1009
Question-box convention, New England 537, 598
Questions and answers 78, 201, 299, 387, 495, 589, 686, 772, 909, 992, 1126, 1200

R

Rack, lamp display* 767
Radiator outlets, electric 909
Radiators, mantel-type electric* 315
Radio Engineers, Institute of 350, 572, 916
Radio equipment, new 1159
Radio stations at Panama Canal nearly completed 1037
Radioactive ore, tests of, on plant growth 347
Radio service, storage batteries for, by M. R. Hutchison 352
Radiotelegraphy, long-distance, continuous waves in, by L. F. Fuller 736
Radiotherapy, electric lamp for* 648
Railway power equipment, electric economies in, by N. W. Storer 216
Railway service standards, street 144
Railway service, street, in large cities (E) 141
Railways, Detroit, valuation of 4
Railways, electric, in 1914 8
Range, children's electric* 967
Range, electric, problems in connection with (E) 570
Ranges and ovens, exhibit of Hughes* 607
Ranges, Westinghouse electric* 1130
Rate-making for central stations, basic principles of, by F. A. Warfield 817

Rate-making, value of service and cost of service in ... 80
Rate reduction, Cincinnati stockholders organize to fight ... 110
Rate reduction, stockholders organize to fight ... 218
Rate regulation, cost of service as basis for ... 1052
Rate schedule of New York Edison Company, new* ... 763
Rates, basing, upon cost of service (E) ... 61
Rates, controlled flat, by E. T. Hughes ... 817
Rates for cooking and heating (E) ... 477
Rates, increased electrical, for London ... 806
Rates, lighting and power (E) ... 184
Rates, Massachusetts hearing on ... 347
Rates, proposed law regulating minimum and maximum ... 309
Rathenau Foundation ... 636
Ratings, international standardization of ... 447
Razor-blade sharpener* ... 1070
Real estate, electric light sells ... 856
Reamer for wood* ... 155
Receptacle and plug, Kutsch* ... 317
Receptacle, Bryant ceiling pull* ... 1074
Receptacle, flush* ... 1128
Receptacle for metal signs and outlet boxes* ... 1006
Receptacle, Hubbell, duplex wall* ... 398
Receptacle, Hubbell flush* ... 646
Receptacles, Trumbull sign* ... 507
Rectifier charging set for lighting and ignition batteries* ... 1010
Record forms for electrical contractor* ... 724
Record of electrical patents (see Patents).
Reducing bushing, substitute for ... 76
Reel, non-winding motion-picture* ... 222
Refinement in electrical service (E) ... 369
Reflector for Delta electric hand lamp* ... 90
Reflector in dome* ... 586
Reflectors, Benjamin shade-holder type* ... 965
Regulation of security issues (E) ... 849
Regulation, state, by William J. Norton ... 632
Relation between operating employee and accounting department ... 343
Relations between utilities and commission, by J. H. Van Brunt ... 1053
Rentee must maintain property of utility, court rules ... 70
Renting motors for seasonal applications (E) ... 103
Reproduction cost versus initial cost (E) ... 284
Resale price, upholds maintenance of ... 232
Resale prices, maintenance of ... 1157
Researches on insulating materials (E) ... 1180
Residence service, cost of ... 622
Residences, maximum demand of ... 1126
Residence wiring, specification form for* ... 1194
Residential load characteristics* ... 946
Resistance material—Koppat* ... 402
Resuscitation and first aid for electric shocks and burns, by Dr. E. H. Whitcomb ... 639
Revising the Code (E) ... 613
Revivals, by Paul Lupke ... 1107
Rewinding motor ... 589
Rheostats, field, handwheels for* ... 172
Rhode Island commission news (see Public Service Commissions).
Rice, Herbert H., becomes president of Waverley Company* ... 1090
Rink, brightly lighted outdoor* ... 311
Rivers, southern, water resources of ... 1043
Robbins & Myers Company on overtime schedule ... 453
Robbins & Myers exhibit at Panama-California Exposition* ... 450
Robbins & Myers plant, large addition to* ... 509
Rochester, Minn., new municipal plant for ... 206
Rochester, N. Y., water-power plant in the heart of* ... 1162
Rockford Electric Company, new-business plans of ... 334
Rockford exhibition of household devices* ... 681, 723
Rockford plants using central-station power ... 763
Roebling fire* ... 216
Roebling's insulated wire plant destroyed by fire ... 160
Rotarex, Dulin* ... 452
Rotary converters, practical notes on ... 989
Rotating field, demonstrating* ... 151
Rubber industry, active revival of Mexican guayule ... 221
Rubber mills, electricity in* ... 573
Rural customer, serving (E) ... 797
Rural districts, electricity in* ... 148
Rural service, analysis of central-station practice in Wisconsin regarding ... 237
Rush Brothers open electrical supply store at Hot Springs, Ark.* ... 531
Russia, American tools and electrical supplies for ... 1207
Rutile, production of ... 248

S

Safety campaign inaugurated in Columbus, Ohio ... 107
Safety Code, National Electrical (E) ... 798
Safety conference postponed ... 1094
Safety device for arc-lamp trimming* ... 623
Safety-first features of electrical construction, by Norman G. Meade* ... 764
Safety first in electricity, by Ralph G. Hudson ... 630
Safety meeting in Louisville ... 485
Safety work, good results from ... 1199
Sale of electric power, by T. R. Hay ... 418
Salem buildings contract for electric service ... 485
Salem company secures 5,000-horse-power contract ... 110
Salesmanship ... 522
Salesmanship course for retailers' sales force, manufacturer establishes ... 451
Salt Lake City, commercial lighting campaign in* ... 417
Sandusky, employees club at ... 548
Sandusky, White Way at ... 963
Santo Domingo, electric plant for ... 921
Saw mill, electricity in* ... 290
Schaeffer & Budenburg Company occupies new plant ... 561
Scrap nickel anodes, welding up* ... 1210
Searchlights, by C. S. McDowell ... 393
Securing business with nitrogen lamp, by W. A. Wadsworth ... 194
Security issues, regulation of (E) ... 849
Segregating electrical contracts on federal work (E) ... 713
Selection and application of motors, by Gordon Fox* ... 348
Selenium, applications and possibilities of, by B. F. Meissner ... 286
Self-starting and lighting system for Ford cars* ... 844
Selling stock at par (E) ... 934
Service, basing rates upon cost of (E) ... 61
Service connection, initial low-cost* ... 1149
Service entrance ... 248
Service entrance in small space ... 76
Service pipe, extending ... 427
Service switch and meter protecting device, Metropolitan* ... 129
Service value of and cost of, in rate-making ... 80
Serving rural customer (E) ... 797
Shade-holder for mogul-base sockets, Hubbell* ... 699
Shade-holder, Hubbell* ... 785
Shade-holders, Uno threaded* ... 1165
Shades and reflectors, asbestos* ... 650
Shinglemill, electrically driven* ... 1122
Ship-building plant projected, requiring much machinery ... 697
Ship propulsion, electric, by W. L. R. Emmet ... 826
Ships, electric propulsion of (E) ... 847
Shock, electric ... 686, 772
Shop, electric, operated by Kansas City (Kans.) municipal plant* ... 487
Shop, Kansas City municipal electric ... 34
Short-circuit conditions on transmission systems, by I. W. Gross ... 126
Short-circuits, locating, alone ... 297
Shovel, electric, inexpensive excavation by* ... 172
Shovels, steam, indivicual lighting plants for* ... 90
Show room, value of (E) ... 755
Show-window lighting, campaign for increasing hours of ... 680
Show-window sign, electric interchangeable ... 1212
Sidelights on direct-connected motor driving (E) ... 712
Sign advertising, electric, value of ... 195
Sign, British electric vehicle* ... 60
Sign data, electric* ... 32, 111, 241, 420
Sign, effective theater* ... 1149
Sign, electric, as business getter ... 1192
Sign flasher boxes ... 811
Sign for Hopkinsville, Ky ... 723
Sign for lunch room* ... 32
Sign of Ford Motor Company* ... 983
Sign in Washington* ... 31
Sign, laundry* ... 420
Sign legislation in Massachusetts ... 420
Sign motors, flashing* ... 586
Sign, novel* ... 241
Sign receptacle, "Best"* ... 604
Sign, show-window, electric interchangeable ... 1212
Sign, spectacular electric, in Cincinnati* ... 858
Sign, spectacular theater* ... 336
Sign, talking ... 687
Sign, theater* ... 111
Sign, unique Chinese ... 111
Signs, central-station, on new building construction* ... 548
Signs, flashing, on Chicago block* ... 923
Signs in Louisville must be kept lighted ... 487
Signs of London tube railways* ... 25
Signs with interchangeable displays, outdoor and indoor* ... 878
Silhouettes, electrically lighted* ... 70
Silk mill, electricity in ... 376
Siren, fire anl general alarm* ... 40
Skinner, cotton-wire* ... 768
Sliding doors, protecting wires from ... 297
Smoke, health and electrification (E) ... 669
Societies, engineering, financing of (E) ... 799
SOCIETY FOR ELECTRICAL DEVELOPMENT:
Annual meeting ... 917
Electrical Prosperity Week ... 170, 387, 506, 603, 735, 800, 998, 916, 1094
Meeting of ... 170, 387, 773
Selling suggestions of ... 529
Society of Electrical Contractors of Salt Lake City ... 490
Socket and receptacle for gas-filled tungsten lamps, Arrow* ... 129
Socket, current-tap* ... 1005
Socket-voltage reducer, Turnlo* ... 742
Sockets and receptacles locking* ... 356
Sockets, new way of selling* ... 964
Sockets, 250-watt, should they be eliminated? ... 629
Solder for aluminum ... 24
Soldering ceiling joints* ... 76
Soldering paste, box for* ... 586
Solids, insulation resistance of ... 171
Something new in conventions (E) ... 521
Sounding, electrical, by Henry R. Gilson* ... 1002
South African electric plants ... 191
South American mail, insufficient postage on ... 630
South American trade, consular recommendations ... 525
South American trade (E) ... 63
Southern Power Company to build new generating station ... 806
Southwestern Electrical and Gas Association, convention of* ... 522, 996
Specializing in distribution work (E) ... 890
Specification form for residence wiring* ... 1194
Specifications, wiring (E) ... 1181
Speed indicator, Esterline* ... 829
Speed reduction, worm-gear, for motor-driven machinery* ... 1166
Sprague Electric Club organized ... 1168
Spring Festival Electric of Kansas City* ... 622
"Standard Wiring" for 1915 ... 122
Standardizing plugs and receptacles ... 370
Standardizing plugs and receptacles, preliminary report on ... 245
Standards, British and American engineers to confer on ... 370
Standards for electric service ... 827
Stand-by paints, oil-burning, by C. H. Delany ... 1111
Stands for heating devices ... 553
Starter, automatic, for direct-current motors* ... 355
State regulation, by William J. Norton ... 632
Static in press room ... 1200
Station service, avoiding inconveniences in (E) ... 1140
Statistics of California central stations ... 1028
Statistics of California central stations (E) ... 1018
Status of engineer (E) ... 367
Steam, exhaust versus live, by C. C. Wilcox ... 1120
Steam plant near Asheville, N. C., new ... 1007
Steel for magnets ... 726
Steel-mill controllers from operator's standpoint, by James S. Riggs ... 778
Steel mills, motor control in ... 777
Steel mills, motor control in (E) ... 753
Stevedore, electric, by A. Jackson Marshall* ... 1084
St. Lawrence River basin ... 1034
St. Louis Electrical Workers, resolutions of ... 1001
Stock, keeping, in order* ... 684
Stock, selling, at par (E) ... 934
Stopper-spinner* ... 90
Storage batteries (also see Batteries).
Storage batteries for radio service, by M. R. Hutchison ... 352
Stranding wire new machines for* ... 606
Street illumination, new step in, by Isador Ladoff* ... 691
Street lighting (see Lighting).
Stud boxes, fastening, on laths ... 492
Studying industrial processes (E) ... 479
Submarine photography by aid of quartz lamps* ... 1009
Submarines, Fessenden oscillator to detect ... 738
Submarines for government ... 315
Submarines, motive power for (E) ... 410
Substation, cement-plant, for receiving Mississippi River power* ... 1040
Substation construction, outdoor ... 820
Substation design, industrial (E) ... 478
Substation for Berkshire Street Railway, semi-outdoor portable* ... 92
Substation, high-capacity outdoor, on high-tension line* ... 1212
Substation, model factory* ... 1196
Substation, 100,000-volt portable, by Nicholas Stahl and Charles I. Burkholder ... 391
Substation, outdoor* ... 703
Substation, outdoor, for railway signal work* ... 649
Substation, selector-type, 66,000-volt steel-tower* ... 94
Substation, service re-established at Keohler mine within fifty hours after total destruction of* ... 547
Suction sweeper, new electric* ... 1210

Substation switching and protective units, high-capacity outdoor* 130
Substations, high-tension outdoor, by H. W. Young 641
Suction cleaner, Central* 557
Sugar mill, electricity for 647
Summer course for business men 1094
Summer school, Wisconsin 800
Supreme Court decision on freight rates 556
Surges, switching (E) 103
Sweeper, street* 495
Switch, Anderson time* 646
Switch, automatic door* 1209
Switch, automatic, for emergency connection of lighting circuits to auxiliary source* 560
Switch cabinets, push-button* 1006
Switch, Cutler-Hammer candelabra, redesigned* 1210
Switch, master control 247
Switch, mounting flush, on lath* 297
Switch, pressure-controlling* 448
Switch, rotating, for ornamental fixtures* 1005
Switch, service, and meter-protecting device, enclosed* 270
Switch, telephone* 549
Switch, Trumbull push-button wall 264
Switch boxes locating hidden 768
Switches, automatic starting, for small alternating-current motors* 1007
Switches, unique arrangement of, for motor service* 332
Switchgear, automatic protective 28
Switching equipment in plant of Indiana Railway & Light Company* 926
Switching surges (E) 103
Synchronous booster-converter for Dayton Power & Light Company* 1213

T

Tait, Frank M., honored 936
Tank rooms, electrolytic, lighting of, by R. E. Harrington 824
Tax decision, Ohio 978
Tax, wheel (E) 712
Taxation, increased, in Wisconsin, and effect on public service companies 207
Taxicab, electric 470
Taxicabs, electric, by A. Jackson Marshall 695
Tech instructing staff, changes in 978
Technical Publicity Association, tenth anniversary of 714
Technology Clubs Association, convention of 254
Telegraph and telephone in 1914 5
Telegraph and telephone in South Africa 191
Telegraph messages, number of 687
Telegraphs and telepohnes, census report on 444
Telephone, across continent by* 210, 263
Telephone and telegraph in 1914 5
Telephone, birth and babyhood of, by Thomas A. Watson 756
Telephone connection between Los Angeles and New York 892
Telephone, how Bell invented, by Thomas A. Watson 1000
Telephone Pioneers of America, annual meeting of 541, 991
Telephone problem, by Richard Yates 307
Telephone properties, valuation of, by E. W. Doty 307
Telephone regulation in Minnesota 383
Telephone signal, visible 492
Telephone, speech making by 909
Telephone switch* 549
Telephone system, Bell, census figures on 737
Telephone systems, intercommunicating, by T. F. Lee 859
Telephone systems of Canada, results of government ownership of, by Francis Dagger 306
Telephone, transcontinental, publishers entertained by 812
Telephone troubles in the Tropics, by W. Llewellyn Preece 738
Telephones and telegraphs, census report on 444
Telephones for use in mine rescue work demonstrated at San Francisco* 830
Telephones in China, American 129
Telephones in train dispatching 741
Telephones, where they are most numerous 447
Telephoning across the continent (E) 183
Telephony, relative cost of manual and automatic* 300, 387
Telescribe perfected 1007
Temperature of lamp bulbs 545
Tennessee commission news (see Public Service Commissions).
Tennessee Company, outing of 1106
Tennessee Electrical Contractors' Association, convention of 584
Terminal fitting on combination system 428
Testimonial advertising effective in Louisville house-wiring campaign 679
Testimony, expert (E) 368
Testing set, new decade* 1069
Tests of radioactive ore on plant growth 347
Textile mills, individual drive in 149
Thawing, electric* 590, 686
Theaters install call signs for firemen 992
Thermo-electric properties of alloy-steels (E) 977
Thermophone 28
Three-color illumination (E) 754
Three-phase distribution 591, 772
Threshing in Iowa community, data on* 148
Tide gauge, electrical 94
Tide indicator, electrical 916
Time for extension (E) 63
Time, keeping workmen's* 296
Time switch, Anderson* 646
Time switch, electrically wound* 1066
Time switch, improved form of* 1067
Titanium arc (E) 668
Toaster, rapid and economical* 264
Tools, Stow electric general utility* 452
Towing, electric, at Panama Canal (E) 185
Towing system, electric, for Panama Canal locks* 187, 233
Tractors, new electric* 60
Trade, export, and how to get it, by G. F. Bagge-Féron 86, 123, 161
Trade-extension trip 1105
Trade-mark of Columbus company* 108
Trade, South American (E) 63
Transformer, efficient bell-ringing* 964
Transformer for gas-filled tungsten lamps* 38
Transformers and oil switches 538
Transformers, bell-ringing* 150
Transformers, current, fuses on 812
Transformers, effects of frequency upon, by Gordon Fox* 89
Transmission line completed, Sequatchie 24
Transmission lines, ground wires for (E) 521
Trimming, arc-lamp, safety device for* 623
Trip, new series, for high-voltage oil switches* 360
Trouble shooting and technical graduate (E) 977
Truck, electric, for animal rescue* 470
Trucks, electric, reasons for users of 846
Trucks, electric, use of 472
Trucks, historic electric, aid in rebuilding Edison laboratories* 282
Trucks, industrial, application of, by J. C. Matthieu 193
Truing commutators 772
Tungsten-filament lamps, competitive economy test of, by H. H. Higbie 1201
Tucson's ornamental street-lighting system* 962
Tungsten ores 962
Tungsten ores in 1914 310
Turbines, bleeder, by F. W. Laas 1118
Turbines on Swedish steamships, new steam 741
Turbines, water, life of 545
Turbo-electric propulsion, refinement of (E) 934
Turbogenerator set for lighting steam shovels* 90
Turbogenerator units for Interborough company 401
Two-phase and three-phase lap windings in unequal groups, by E. M. Tingley 166

U

Ultraudion detector for undamped waves, by Lee de Forest* 357
Ultra-violet rays for vulcanizing rubber 221
Ultra-violet rays from oscillating spark 1055
Underwriters' Laboratories, fire prevention, work of 756
Underwriters' Laboratories to resume distributing circular information respecting fires of electrical origin 445
Unit costs 307
United Electric Company's service protected by employees' prompt action 487
United Electric Light & Power Company statistics on business of* 333
United States Light & Heating Company reorganization of 788
United States Bureau of Standards, branch laboratories of 872
University course for business men (E) 102
University of Illinois, free short business course at 104
Unloading ships at low tide, central-station power for 1193
Unused outlets 1154
Utah power companies and forest reserve 505
Utah utilities consolidation, agreement reached in 4
Utilities, electric, dependence of public upon (E) 1139
Utilities Indemnity Exchange 1055
Utilities, personnel of (E) 1092
Utilities, public, municipal regulation of, by John H. Roemer 1107
Utilities to get portable instruments to aid in improving service standards 789
Utility companies, helpfulness of regulating commissions to (E) 230
Utility employees to give benefit show 104

V

Vacuum cleaner, Atwood stationary* 878
Vacuum cleaner campaign, Denver 856
Vacuum cleaner campaign in Brooklyn 622
Vacuum cleaner campaign in Kansas City 763
Vacuum cleaner campaign in Toledo 681
Vacum cleaner, Santo* 1006
Vacuum sheet-cleaner for cylinder presses, electrically driven* 175
Valuation of physical property 306
Values, intangible 306
Varnished cambric for insulation 554
Vehicle and central-station interests hold joint meeting in Boston 282, 537, 598
Vehicle booklet issued by Philadelphia Company 897
Vehicle campaign, electric, in Springfield, Mass 108
Vehicle committee, English electric 309, 666, 1081
Vehicle control, electric* 388, 495
Vehicle data, electric* 72, 293, 488
Vehicle, electric, and central station, by John F. Gilchrist and A. Jackson Marshall 1108
Vehicle, electric, and central station (E) 570
Vehicle, electric, hindrances to development of (E) 571
Vehicle, electric, in parcels-post service 666
Vehicle, electric, new type of 664
Vehicle, electric, physicians' use of 31
Vehicle, low-cost delivery* 842
Vehicle maintenance, by R. Macrae 397
Vehicle market and income to central stations in medium-sized cities 839
Vehicle operation, electric—an actual service study, by Arthur S. Wells* 465
Vehicle owners, electric, book for New York 289
Vehicle performance in department-store service, electric, by Edward Callan 280
Vehicle practice in Europe, electric 72
Vehicle service of Commonwealth Edison Company's Transportation Department 546
Vehicle section, electric* 53, 277, 465, 659, 839, 1081
Vehicle users, co-operative battery service to 840
Vehicles, Edison, in use in England 664
Vehicles, electric, advertising, by R. T. Snodgrass 938
Vehicles, electric, at Chicago Automobile Show 218
Vehicles, electric, discussion on 599
Vehicles, electric, in Boston Automobile Show 511
Vehicles, electric, in central-station service 293
Vehicles, electric, in England 474
Ventilating fan, new ten-inch* 1164
Ventilation by cold outside air without drafts* 968
Vermont commission news (see Public Service Commissions).
Viaduct at Cincinnati, Ohio, lighting of* 1048
Vibration electrometer* 606
Vibrator, Hamilton-Beach* 131
Virginia commission news (see Public Service Commissions).
